# OMS I & II Remediation Procedure for 2026-2027 Academic Year

## 1. Types of Courses and Remediation Limits

A. Systems Courses: Students are allowed to remediate a maximum of two system courses per academic year.

B. Longitudinal Courses: Students are allowed to remediate a maximum of one longitudinal course per academic semester.

## 2. Timing of Remediation Exams

- OMS I Systems Courses: Remediation will occur in June.
- OMS II Fall Systems Courses: Remediation will occur in January.
- OMS II Spring Systems Courses: Remediation will occur in May.
- Longitudinal Courses: Remediation timing is at the discretion of the course director. Remediation for Fall longitudinal courses will typically occur in December or January. Remediation for Spring longitudinal courses will typically occur in April for OMS II students and May for OMS I students.
    - Anatomy is considered a longitudinal course and will be remediated in January.

## 3. Three Maximum Allowed Course Remediations Per Academic Year

- Course remediations are to be drawn from the following combinations not to exceed per two per semester, three in an academic year.
    - **Fall Longitudinal Courses:** One remediation, typically scheduled in December or January.
    - **Spring Longitudinal Courses:** One remediation, typically scheduled in April or May.
    - **Fall Systems Courses:** Up to two remediations, typically scheduled in January for OMS II students, June for OMS I students.
    - **Spring Systems Courses:** Up to two remediations, typically scheduled in May for OMS II students and June for OMS I students.

## 4. Courses Included

| | Course Name | Course Code |
|---|---|---|
| OMS I | | |
| OMS I - Longitudinal | Caring and Competent Physician I & II | CARE 1001 & 1002 |
| OMS I - Longitudinal | Cumulative Curricular Review I & II | CCRC 1000A &1000B |
| OMS I - Longitudinal | Foundations of Interprofessional Education I & II | CIPE 1000A & 1000B |

| | | |
|---|---|---|
| OMS I - Longitudinal | Osteopathic Principles and Practice I & II | OPPC 1501A & 1951A |
| OMS I - Longitudinal | Osteopathic Principles and Practice Lab I & II | OPPC 1501B & 1951B |
| OMS I - Longitudinal | Practice of Clinical Medicine I & II | CMED 1501 & 1702 |
| OMS I - System | Clinical Foundations | FOUN 1102 |
| OMS I - System | Musculoskeletal System | MSKS 1401 |
| OMS I - System | Blood, Immune, Infection and Cancer | BIIC 1301 |
| OMS I - System | Gross Anatomy (counts toward longitudinal limit) | ANAT 1002 |
| OMS I - System | Neurosensory System | NEUR 1801 |
| OMS I - System | Cardiovascular System | CARD 1602 |
| OMS I - System | Respiratory System | RESP 1701 |
| OMS II | | |
| OMS II - Longitudinal | Caring and Competent Physician III & IV | CARE 2001 & 2002 |
| OMS II - Longitudinal | Cumulative Curricular Review III & IV | CCRC 2000A & 2000B |
| OMS II - Longitudinal | Foundations of Interprofessional Education III & IV | CIPE 2000A & 2000B |
| OMS II - Longitudinal | Osteopathic Principles and Practice III & IV | OPPC 2451A & 2801A |
| OMS II - Longitudinal | Osteopathic Principles and Practice Lab III & IV | OPPC 2451A & 2801A |
| OMS II - Longitudinal | Practice of Clinical Medicine III & IV | CMED 2501 & 2702 |
| OMS II - System | Mental Health | MNTH 2301 |
| OMS II - System | Integumentary | INTG 2201 |
| OMS II - System | Gastrointestinal System | GAST 2001 |
| OMS II - System | Renal System | RENL 2101 |
| OMS II - System | Endocrine System | ENDO 2501 |
| OMS II - System | Reproductive System | REPR 2601 |

**5. Outcomes of Exceeding Remediation Limits**

- **Exceeding the System Course Remediation Limit:** Requiring remediation for more than two system courses in an academic year will result in a failing grade for the course and immediate referral to Professionalism Academic Review Committee (PAR).
- **Exceeding the Longitudinal Course Remediation Limit:** Requiring remediation for more than one longitudinal course in a single semester will result in a failing grade for the course and immediate referral to PAR.

**6. Outcomes of Unsuccessful Remediation**

- Unsuccessful remediation of a system course results in immediate referral to the Professionalism and Academic Review Committee (PAR).
- Remediation of additional courses may be permitted but is not required.

**7. Outcomes of Successful Remediation or Repeating the Year**

- OMS I
    - Grade of C*
    - Advance to OMS II in good academic standing
- OMS II
    - Grade of C*
    - Advance to OMS III in good academic standing
- Students who have been required by PAR to repeat the year of the curriculum, will be on probation until the courses with an I or F are repeated and passed.

**8. Appeal**

- Decisions made by PAR can be appealed to the Dean of the COM. The decisions of the Dean of the COM are final and cannot be appealed.

Approved by ICOM Academic Leadership Council - September 29, 2026
